

TORNADO KILLS 48

Hotel, Churches and Public Buildings
Wrecked in Minnesota

Fergus Falls, Minn., June 24.—Forty-eight persons are known to have been killed and 150 injured in a tornado which struck Fergus Falls late Sunday. The list, compiled by State officers, does not include casualties from the surrounding country.

Most of the deaths occurred in the Grand Hotel, which was crushed. Four churches, the jail and courthouse, buildings of a small college and a number of dwellings were wrecked.

Property damage was estimated at between \$1,000,400 and \$2,000,000.

Hospitals were packed with injured and many of these will die, advisers said.

The Great Northern's "Oriental Limited" was brushed from its track by the heavy wind. All but two cars—the diner and sleeper—were overturned.

The storm struck the west part of Fergus Falls, Barnesville and Carlisle suffered also. Some damage was done at Brainerd. The storm cut a path more than thirty miles long, reports said.

To Our Patrons

Alexandria, Va., June 2, 1919.

In line with our progressive banking methods, and to meet the demands of our patrons, we are installing on July 1st, an up-to-date Safe Deposit Department, under the personal supervision of one of our officers.

This has been made necessary from the fact that a large number of our depositors owning Liberty Bonds and other securities desire a safe place for their keeping.

It is our plan to enlarge the number of Safe Deposit Boxes, and make a rental charge to meet the operating expenses of this Department. This charge will become effective July 1st, 1919, and a bill will be sent out at that time to the holders of boxes, and if any desire to make any change we will be glad to have them call before the bills are rendered for the ensuing year.
